

WINNER FOR DENTAL OFFICE

Longevity, consistency keep Fort Wayne Dental Group on top

Fort Wayne Dental Group (FWDG) is proud and honored to represent the dental community as the "Best Dental Office" in Fort Wayne for the 8th consecutive year. We would like to thank the community for the well-respected recognition.

Our staff collectively has over 241 years of FWDG experience with our Doctors Mutton, Wright, and Creech having over 73 years. Recently, Dr. Wright celebrated 25 years of practicing pediatric dentistry.

Longevity, as well as consistency, contributes to our level of comfort and knowledge of dentistry and our patients. This type of relationship is rewarding for both staff and patients because it supplies comfort, education and validation of interest in our patients and their overall dental health.

FWDG provides routine care, exams, restorative dentistry and orthodontics for all ages, ranging from early childhood to seniors. We also do cosmetic dentistry, oral surgery, periodontal therapy, dental implants, crowns and bridge work, as well as dentures.

FWDG accepts and files most insurance plans and is in network with Delta Dental Premier.

We recently updated to digital radiography. So you are aware, it offers less radiation and increased speed, leading to a better overall experience to our patients. Digital also gives better clarity for more precise diagnosis of possible dental issues such as tooth decay.
