Fort Wayne Dental Group is overwhelmed and grateful to be voted Best Dental Office for the 12th consecutive year in the annual *Readers' Choice*.

We are blessed to have staff and patients who are so loyal!

Fort Wayne Dental Group believes the reason it has been recognized again is because of its been ability

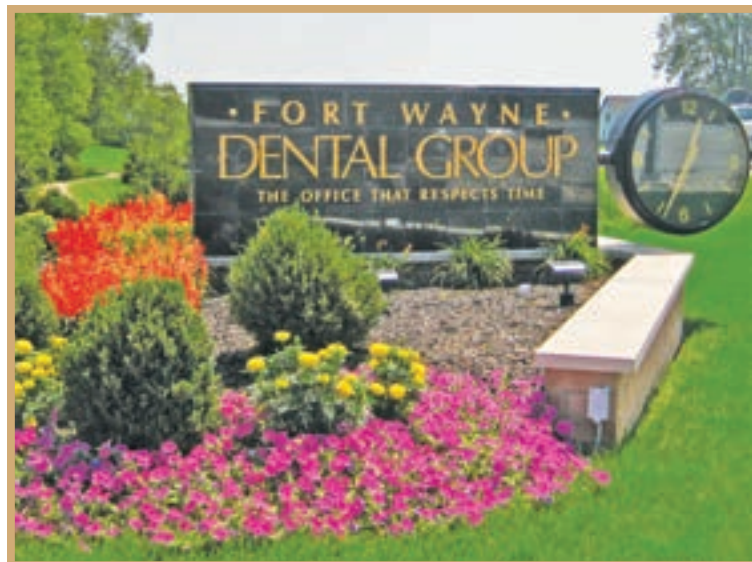

to provide excellent care while maintaining a familial bond with its patients. The practice's family values are reflected in the maintenance of its long term employees and patients. For example, it has patients who have been with the group since 1982 when Dr. Mutton started the practice.

Not only do we have patients who have been coming to the practice since day one, but we also have several staff members who have provided these same patients with 20 to 30+ years of service and dedication.

Thank you again to everyone who voted Fort Wayne Dental Group as the Best Dental Office. It means the world to us, but we think it should be called the Best Dental FAMILY award.

Kevin Wright, DDS; Sarah Hagee, DDS and Matthew Creech, DDS.
